**The Natural World - Immersive Theatres Planetarium Dome**  
**Wednesday 23<sup>rd</sup> January 2019 - Lea Village Hall**

The fantastic Immersive Theatres are returning to host a stunning natural world / ecology programme. We hope you really enjoy it and will join us in our **pop-up café** in the hall while the children enjoy some fantastic ecology themed **craft**.

Tickets are £3 per child (under 12 years) and £4 for 12 years and over. Please contact **Kat Curtis**: [kcurtis@hadronconsulting.co.uk](mailto:kcurtis@hadronconsulting.co.uk), Friday House, The Street, SN16 9PG (near Little Badminton Lane). Cheques payable to 'Lea and Garsdon School Association'.

**\*\* Tickets on sale from 2<sup>nd</sup> January 2019 on a first come, first served basis \*\***

**9.10am Toddler (Performance 1)** Explore and learn about the wonderful world of coral reefs in this interactive programme (20 mins)

**12 noon Adult (Performance 5)** A hypnotic visit to the hidden world of the coral reefs with world-record-holding free diver, Ai Futaki (35 mins)

**2.40pm Toddler (Performance 8)** Explore and learn about the wonderful world of coral reefs in this interactive programme (20 mins)

**3.30pm Reception/KS1 (Performance 9)** Explore and learn about the wonderful world of coral reefs in this interactive programme (25 mins)

**4.05pm Key Stage 1 (Performance 10)** In this fun performance children will learn about the weather with cloud types and the water cycle before immersing themselves in the magical world of coral reefs (30 mins)

**5pm Age 6 to 9 years approx. (Performance 11)** Explore the wonderful world of coral reefs; how do you photograph them and what makes them so unique and fragile (25 mins)

**5.40pm Age 7-10 years approx. (Performance 12)** Feel the fury of extreme weather in "Force 5". Soar with modern spacecraft and 'stormchasers' to measure hurricane strengths and predict their paths today. Discover the incredible power of tornados and end your journey on the surface of the sun to catch the most powerful storms in the solar system (25 mins)

**6.20pm Age 7 to Adult approx. (Performance 13)** A stunning exploration of the inner workings of global climate! Ride along swirling ocean currents, dive into hurricanes and come face to face with gigantic whales (25 mins)

**7.05pm Age 12 to Adult approx. (Performance 14)** Peer inside the incredible and complex living cells that make up the human body. Uncover the mystery of DNA and discover how we all began as a single, tiny cell (30 mins). **NOTE:** includes scenes of egg-fertilisation and foetal development.

**Disabled/Elderly:** Please note all but one visitor will be seated on sports mats with only one chair available per performance (contact Kat to book).

All proceeds to Lea and Garsdon CE School PTA (Reg Charity No. 1073265).
