Key Stage 1 SAT Report 2019

This is the fourth year that the Y2 children have been tested against the new, more challenging National Curriculum which was introduced in 2014. Results from the tests were converted to scaled scores. The scaled scores at KS1 range from 85 to 115 with 100 as the expected standard.

The children took new, more rigorous tests in Reading and Maths and also in Grammar, Spelling and Punctuation, although these were optional again this year. The class teacher then used the scores from these tests, as well as their knowledge of the children over time, to give a 'Teacher Assessment'. The National standards are not currently known.
