

My Garden

PENNY

My garden-
A bird's eye
view from the
treetops?

My garden-
A secret
place to hide
away?

M garden-
A relaxing
place
to rest?

My garden-
A flexible pitch
to play games?

My garden-
An inspiring
place to read a
book?

My garden-
A magical
land far away

A traditional Japanese garden scene featuring a wooden bridge over a stream, a waterfall cascading over rocks, and blooming pink cherry blossoms in the foreground. The garden is lush with greenery and various plants, including a large green bush in the foreground and a pavilion in the background.
