The programme includes Water Skills 1 and 2, and for more confident swimmers Life Saving Skills. This investment will also make available to our pupils recreational facilities which are not easily accessible to them due to our rural location. This will also positively impact on the school's ability to meet in full the requirements of the National Curriculum in swimming.	venue hire £2,322.00
Providing training and payment for midday supervisors to enable them to introduce and maintain playground games at breaks and lunchtimes. "Change 4 Life" training.	This will empower our MDSAs to organise physically active playtimes and give them confidence to supervise and guide pupils partaking in those activities. It will also help engage all our pupils in active and healthy games and general fitness, even those who generally remain inactive at playtimes.	£500
Pooling funding with our cluster to organise an inset twilight session in a selected area of PE and sports.	Pooling with our cluster partners will afford us access to specialist physical education teachers and their expertise. This will increase our staff subject knowledge, skills and confidence. Links will be forged with our secondary schools and PE coaches to help us improve our own PE provision.	£150
Grounds Maintenance to support use of the field for a wider amount and choice of activities.	A wider choice of 'sports' can be offered. This enables a greater number of children to participate in activities they might not otherwise be able to do.	£40
Purchase of new PE equipment for gymnastics and indoor PE activities and repair of useable equipment.	This will enable us to use a wider range of resources within PE sessions, both inside and out.	£1443
Additional coaching opportunities in sports new to the school – lacrosse Outdoor activities/ athletics	This will increase our staff subject knowledge, skills and confidence.	£600
