

# Good Morning Willow Class

Day 2 - Hopefully you enjoyed yesterdays work and found that it was easy to follow.

Today build on what you learnt yesterday and I am sure the activities are just as clear and accessible.

Remember, I would like to see are examples of your work. Ideally I would like to see one example of a piece of work that you are really proud of by Friday. Please email it to me using [Willow@Brinkworthearldanbys.wilts.sch.uk](mailto:Willow@Brinkworthearldanbys.wilts.sch.uk). I will email you back and will include it on our class web page or on the next PowerPoint.

Hope to see you all soon

Mr Foster

# Thursday 7<sup>th</sup> January 2021

## Timetable for today

- ▶ 9.00 - 9.45 Yoga
- ▶ 9.45 - 10.45 English
- ▶ 10.45 - 11.00 Break
- ▶ 11.00 - 12.00 Maths
- ▶ 12.00 - 1.00 Lunch
- ▶ 1.00 - 1.30 Reading Time
- ▶ 1.30 - 2.15 PSHE
- ▶ 2.15 - 3.00 Art / Geography

# 9.00 - 9.40 Yoga!

I have included a link to an early morning yoga lesson.

[https://www.youtube.com/watch?v=GM616bRA\\_uw](https://www.youtube.com/watch?v=GM616bRA_uw)

Have a go and let me know what you think of the session. Email me your opinions or a picture of you doing the lesson to the [Willow@brinkworthearldanbys.wilts.sch.uk](mailto:Willow@brinkworthearldanbys.wilts.sch.uk) email address

# 9.45 - 10.45 English

- ▶ **WALT: To investigate homophones**
- ▶ In this lesson, we will establish what a homophone is and explore some of the types of word class homophones can be. 10 spelling words will be explained and set to learn
- ▶ <https://teachers.thenational.academy/lessons/to-investigate-homophones-6wuk6c>
- ▶ You will need some paper, a pencil and don't forget your brain

10.45 - 11.00 Break time!

Remember to have a snack and a drink... something healthy please!

# 11.00 - 12.00 Maths

In this lesson you will develop an understanding of the relative magnitude of one million. You will learn to read 7-digit numbers and practice writing them in words and numerals before applying their learning in a matching task.

<https://teachers.thenational.academy/lessons/reading-and-writing-7-digit-numbers-6dk62c>

Please complete the intro quiz before watching the lesson.

The screenshot shows the Oak National Academy interface. At the top, the school name 'Inkworth Earl Danby's Church of England Primary' is visible on the left, and navigation links for 'Search', 'About Oak', and 'Classroom' are on the right. The main content area is divided into two sections: 'Intro Quiz' with a dropdown arrow and a three-dot menu icon, and 'Video' with an upward arrow, a play button icon, and a close icon. Below the 'Video' section is a video player with a green background. The video title is 'Reading and writing 7-digit numbers.' and the presenter is 'Mrs Harris'. The Oak National Academy logo is in the bottom right corner of the video player. To the right of the video player is a list of learning objectives: 'Understanding how the digits in a number indicate its structure', 'Compare and order numbers to ten million', 'Rounding to a required degree of accuracy', 'Not yet published', 'Strategies for addition', 'Strategies for subtraction', 'Applying addition and subtraction', and 'Not yet published'. A search icon is located in the bottom right corner of the page.

# 12.00 - 1.00 - Lunchtime

- ▶ Well done! You've really earned your lunchbreak.
- ▶ See you at 1.00pm

# 1.00 - 1.30 Reading Time

- ▶ Time to read.
- ▶ Go find a book you would like to read and enjoy...
- ▶ Please remember that this is reading time but that does not necessarily mean you have to read a paper book. E-books, online books, news websites and even the newspaper all count. Read what you enjoy and enjoy what you read!

# 1.30 - 2.15 PSHE

In today's lesson, you will understand what a community is, explore the different types of communities (place, interest, action and practice) and consider the benefits of being a part of one.

<https://teachers.thenational.academy/lessons/community-care-cctp8c>

Follow the link above and at the end of the lesson please take time to think about the communities that you belong to.

## 2.15 - 3.00 Art and Geography

- ▶ On this website (<https://www.timeout.com/paris/en/attractions/the-best-paris-galleries>) are 21 of the best art galleries found in Paris. Unfortunately we can not visit Paris at the moment in real life.
- ▶ However, using <https://earth.google.com/> we can do it virtually. Using the website visit all 21 places. My top tip is to cut and paste the name of the art gallery in to the search tool in Google Earth and enjoy the flight.
- ▶ Enjoy!

# Willow Class

- ▶ Welcome. Over the next few weeks, I am going to put on this page examples of work that you send in to me using the Willow email address
