

Good Morning Willow Class

Welcome back!

I hope you had a really great break. I know you would have all got outside away from the computer screen and would have taken the opportunity to reflect on what you have learnt about yourself over the last few months.

This term, we are going to focus on history by having a quick recap of World War Two before looking at the Cold War. In science we will be looking at particles and there will also be the weekly PSHE and RE lessons.

Please keep the work and emails coming in to Willow@Brinkworthearldanbys.wilts.sch.uk.

Mr Foster

Tuesday 23rd February 2021

Timetable for today

- ▶ 9.00 - 9.15 Maths Booklet
- ▶ 9.45 - 10.45 English
- ▶ 10.45 - 11.00 Break
- ▶ 11.00 - 12.00 Maths
- ▶ 12.00 - 1.00 Lunch
- ▶ 1.00 - 1.30 Reading Time
- ▶ 1.30 - 2.15 RE
- ▶ 2.15 - 3.00 PE

9.00 - 9.15 Maths

Well done for yesterdays efforts.

The big challenge for todays maths sheet is dividing by 14.
Remember to write down your multiples of 14 first, 14, 28 ...

$8 \times 12 =$	1	$48 \div 6 =$	1
$28 \div 4 =$		$3 \times 8 =$	
70 % of 450	1	$\frac{3}{4}$ of 720	1
$368.05 + 70.1 =$	1	$9672 - 435.2 =$	1
$123 \times 13 =$	2	$10674 \div 14 =$	2
$\frac{6}{7} \div 3 =$	1	$\frac{8}{9} - \frac{4}{9} =$	1

9.45 - 10.45 English

- ▶ **WALT: To investigate suffixes: Plurals**
- ▶ In this lesson, we will explore the rules associated with adding plural suffixes. 10 spelling words will be explained and set to learn.
- ▶ <https://teachers.thenational.academy/lessons/to-investigate-suffixes-plurals-chh3jc>
- ▶ You will need some paper, a brain and a pencil. Did you know, Thomas Edison (the man who invented lots of things, including the electric light bulb) had his **pencils** specially made to be thicker than the average **pencil**.

10.45 - 11.00 Break time!

Remember to have a snack and a drink. To help with drinking 1.5 to 2 litres a day, why not have a drink of water with a squeeze and a slice of fresh fruit. Orange, lemon, lime or even apple would be great.

11.00 - 12.00 Maths

Lesson overview: Compare and classify triangles

In today's lesson we will compare and classify triangles, looking at how to recognise the different types of triangles and the sum of the angles in a triangle

<https://teachers.thenational.academy/lessons/compare-and-classify-triangles-6mu6at>

Sorry for the slight oversight yesterday. Well done to those who managed to navigate to the correct lesson. For the rest of you, I have included the correct link below so you can catch up.

<https://teachers.thenational.academy/lessons/find-the-value-of-missing-angles-6cr3je>

**The following slide contains an image you might find upsetting.
Please ask your parents to be with you if you decide to look at this slide**

... it is BH eating Marmite!

12.00 - 1.00 - Lunchtime

- ▶ Congratulations you have earned your lunch today
- ▶ Remember to work on your target of drinking 1.5 to 2 litres of fluid a day.
- ▶ Why not try some crackers today. Cheese is the obvious choice but feel free to mix it up a little... just not Marmite

1.00 - 1.30 Reading Time

- ▶ Time to read.
- ▶ Go find a book you would like to read and enjoy...
- ▶ Make the most of this opportunity. Next week I have some reading comprehension tasks for you to do during reading time!
- ▶ Also - remember our Zoom call on Wednesday.

1.30 - 2.15 RE

WALT: How did Hinduism begin and develop as a religion?

In this lesson, we are going to be learning about different religions that have emerged throughout history, the origins of Hinduism and the Vedas, which are the religious texts which inform the religion of Hinduism.

<https://teachers.thenational.academy/lessons/how-did-hinduism-begin-and-develop-as-a-religion-71k38t>

2.15 - 3.00 PE

- ▶ Please take part in the Joe Wick's PE session online.
- ▶ After you have finished go outside and practice any sports skill you like. Catching, kicking, throwing, moving, hitting (a ball!) or even dancing. Please send in any pictures to the class email address.
- ▶ Remember - sunshine and mud is good for you!

Willow Class

- ▶ I know that we have only been back at school for a day and you may not have completed anything yet but can you start sending in examples of your work. This space needs filling.
