

Good Morning Willow Class

Who watched the news yesterday. Who celebrated when it was announced that all children would return to school on the 8th March. Who cried? Whose mum and dad cheered, wept and did a dance of joy that embarrassed you?

I know that I can not wait to have every single one of you back in on the 8th of March. For the time being the home learning continues and I will continue to write nonsense about the odd things in my head.

Please keep the work and emails coming in to Willow@Brinkworthearldanbys.wilts.sch.uk.

Mr Foster

Wednesday 24th February 2021

Timetable for today

- ▶ 9.00 - 9.15 Maths Booklet
- ▶ 9.45 - 10.45 English
- ▶ 10.45 - 11.00 Break
- ▶ 11.00 - 12.00 Maths
- ▶ 12.00 - 1.00 Lunch
- ▶ 1.00 - 1.30 Reading Time
- ▶ 1.30 - 2.15 Music
- ▶ 2.15 - 3.00 History

9.00 - 9.15 Maths

Did you know that there are only 30 of these sheets?

Last big effort for sheet 29. Tomorrow is the last one...but don't worry, I have a cunning plan!

Arithmetic Year 6

Test 29

$3 \times 9 =$	1	$81 \div 9 =$	1
$42 \div 7 =$	1	8^2	1
25% of 1600	1	$\frac{1}{4}$ of 560	1
$6.3 + 1.8 =$	1	$7039 - 4912 =$	1
$2112 \div 16$	2	$215 \times 12 =$	2
$\frac{3}{7} + \frac{4}{7} =$	1	$9 \times \frac{2}{3} =$	1

9.45 - 10.45 English

- ▶ **WALT: To identify the features of a diary entry**
- ▶ In this lesson, we will discuss the PALLP and features of a diary entry. We will also identify these features in a model. In this unit, we will be discussing issues of racism and discrimination in Britain. For some people this will be a sensitive topic. If that applies to you, you may want to do the rest of this lesson with a trusted adult nearby who can support you.
- ▶ <https://teachers.thenational.academy/lessons/to-identify-the-features-of-a-diary-entry-cngp6d>
- ▶ You will need some paper, a brain and a pencil. Did you know, although the contents of a pencil is referred to as 'lead', pencils do not actually contain any. In fact most pencils contain a mixture of graphite and clay

10.45 - 11.00 Break time!

Remember to have a snack and a drink. To help with drinking 1.5 to 2 litres a day, why not drink an ice cream smoothie? Milk, your favourite ice cream or yogurt and just mix them together.

11.00 - 12.00 Maths

Lesson overview: Compare and classify quadrilaterals

In today's lesson, we will classify different types of quadrilateral and learn about the sum of their internal angles.

<https://teachers.thenational.academy/lessons/compare-and-classify-quadrilaterals-71h38c>

Extension

Only using a ruler, can you draw the perfect equilateral triangle where all the sides and angles are exactly the same?

12.00 - 1.00 - Lunchtime

- ▶ Congratulations you have earned your lunch today
- ▶ Remember to work on your target of drinking 1.5 to 2 litres of fluid a day.
- ▶ In Brinkworth, it is global Jacket potato awareness week. Where people all around the village celebrate the humble baking spud. So why not join in the first holding of this long standing annual event. The organisers have classified Marmite as not fit or worth to adorn for the king of the spuds.

1.00 - 1.30 Reading Time

- ▶ Time to read.
- ▶ Go find a book you would like to read and enjoy...
- ▶ Make the most of this opportunity. Next week I have some reading comprehension tasks for you to do during reading time!
- ▶ Also - remember our Zoom call where we will be looking at angles from a different angle!

1.30 - 2.15 Music

WALT: To sing in canon

Oh yes! Mr Foster is giggling as he sets this piece of work. Close the doors, seal the windows, hide the cat and warn the neighbours... it is sing time!

In this lesson, you will have the opportunity to explore your vocal range with a stretching warm up, followed by learning two songs to sing in canon

<https://teachers.thenational.academy/lessons/to-sing-in-canon-71j3gr>

2.15 - 3.00 History

- ▶ **Lesson Overview: How did Hitler rise to power?**
- ▶ In this lesson, we will learn about how Adolf Hitler ascended from fringe activist to Chancellor and Dictator of Germany. We'll learn about how the Nazi Party was formed, and what it believed.

<https://teachers.thenational.academy/lessons/how-did-hitler-rise-to-power-chk30d>

Willow Class

- ▶ Thank you to CM for being first to send in some examples of his work that he has done already this term. Please send some of yours in so I can add them to this page
