

# Good Morning Willow Class

Thank you all for joining in yesterdays Zoom lesson on angles. The key worker pupils really enjoyed see you and sharing their learning with you. Hopefully we can do this again for real on the 8<sup>th</sup> March.

Who enjoyed the singing yesterday? There are 6 singing lessons and at the end of all 6 it would be great if you could send in a video of you singing.

Our history topic covers a lot of information and detail about the rise of Adolf Hitler and some of his beliefs. Please make sure there is an adult around so you can ask questions and can discuss any concerns.

Please keep the work and emails coming in to [Willow@Brinkworthearldanbys.wilts.sch.uk](mailto:Willow@Brinkworthearldanbys.wilts.sch.uk).

Mr Foster

# Wednesday 24<sup>th</sup> February 2021

## Timetable for today

- ▶ 9.00 - 9.15 Maths Booklet
- ▶ 9.45 - 10.45 English
- ▶ 10.45 - 11.00 Break
- ▶ 11.00 - 12.00 Maths
- ▶ 12.00 - 1.00 Lunch
- ▶ 1.00 - 1.30 Reading Time
- ▶ 1.30 - 2.15 Science
- ▶ 2.15 - 3.00 History

# 9.45 - 10.45 English

- ▶ **WALT: To generate vocabulary: Emotions**
- ▶ In this lesson, we will look at a model diary entry from another character's perspective. We will then generate emotions vocabulary and corresponding show not tell phrases to use in our writing.
- ▶ <https://teachers.thenational.academy/lessons/to-generate-vocabulary-emotions-6ww6cd>
- ▶ You will need some paper, a brain and a pencil. Did you know, graphite was discovered in large and pure quantities near Cumbria in the early-mid 1500s. As well as its use in pencils, it was also found to be very useful for marking sheep. When lockdown is over why not travel to Cumbria and visit the world famous Pencil Museum!

10.45 - 11.00 Break time!

Remember to have a snack and a drink. To help with drinking 1.5 to 2 litres a day, why not make your own straw out of rolled up paper. Make sure it is a new piece of paper!

# 11.00 - 12.00 Maths

Lesson overview: Find unknown angles in triangles

In today's lesson, we will represent the angles in a triangle pictorially and algebraically before learning how to calculate missing angles.

<https://teachers.thenational.academy/lessons/find-unknown-angles-in-triangles-6tgkcd>

Extension

Follow this link and complete the questions.

<https://corbettmaths.com/wp-content/uploads/2013/02/missing-angles-pdf1.pdf>

# 12.00 - 1.00 - Lunchtime

- ▶ Congratulations you have earned your lunch today
- ▶ Remember to work on your target of drinking 1.5 to 2 litres of fluid a day.
- ▶ Being international Jacket Potato week in Brinkworth, support this good cause by eating your potato with home made coleslaw and melted cheese.

# 1.00 - 1.30 Reading Time

- ▶ Time to read.
- ▶ Go find a book you would like to read and enjoy...
- ▶ Make the most of this opportunity. Next week I have some reading comprehension tasks for you to do during reading time!
- ▶ Next week it really is Book Week, there will be no dressing up but you need to make sure you are reading a book you enjoy.

# 1.30 - 2.15 Science

**WALT: How do particles in solids, liquids and gases behave?**

In this lesson, we will learn about particles! We are going to learn how the particles in each state of matter behave and how this leads to the properties of solids, liquids and gases. For this lesson, you will need a piece of paper and a pencil.

<https://teachers.thenational.academy/lessons/how-do-particles-in-solids-liquids-and-gases-behave-cnj38t>

## 2.15 - 3.00 History

- ▶ Lesson overview: **What was life like in Nazi Germany?**
- ▶ In this lesson, we will take a closer look at what life was like in Germany from 1933 up to the outbreak of the Second World War. With Hitler as Chancellor and Führer, we will learn about how he built his ideal nation: the Third Reich. This lesson covers racism and indoctrination. If this is a sensitive topic for your child then please make sure they are adequately supervised.
- ▶ <https://teachers.thenational.academy/lessons/what-was-life-like-in-nazi-germany-ccv3ed>

- ▶ I have no idea why yesterday's link did not work for some and no others but just in case I have reattached it.
- ▶ **Lesson Overview: How did Hitler rise to power?**
- ▶ In this lesson, we will learn about how Adolf Hitler ascended from fringe activist to Chancellor and Dictator of Germany. We'll learn about how the Nazi Party was formed, and what it believed.

# Willow Class

- ▶ Today's work comes from RD for a great piece of writing and SB for getting under the 5 minutes in Maths

## Victorian London

Above the sleeping city, a mystical moon hung in the ink black sky. Imposing buildings tower over the streets of London. It was a full moon and the only light you could see was from the moon. It was all silent except from the black birds chirping their songs in the trees.

The air was as stiff as a stick. The only thing you could smell was the thick smog. You can hear the sounds of the trees swaying their branches. People are coughing in their sleep because of the grey smog that overcast the city.

Not everyone one was sleeping Sherlock Homes was awake still waiting for his next case. He was certain that a new case was going to come in soon. Dr John Watson was sleeping on his arm chair while Sherlock kept on saying "When is the next case."
