

Good Morning

I hope you are well and enjoying the seasonal weather?

Today's learning will probably take a few days for you to complete so don't get flustered if you don't make it to the end.

Have a great day and I will see you soon.

English

- ▶ WALT: To write the main body of a diary entry
- ▶ Can you remember the 7 most common relative pronouns? Make a list and see how many you can remember (answers on the lunch time slide)
- ▶ Relative clauses can be added at the end of a sentence to give more information about the noun.

The dog chased after the bone.

A basic sentence but I want to know more about the bone(noun)

The dog chased after the bone which was twice the size of the dog.

As the relative clause is added to the end of the sentence we don't always need a comma.

Task, write a recount of your weekend trying to use relative clauses to add more information.

Break time!

Remember to have a snack and a drink.

Why not put the stereo on full blast, go outside and dance, air guitar and mosh out.

You might have to ask your parents who these two dudes are?

Lunchtime

- ▶ Congratulations you have earned your lunch today
- ▶ Why not try a lovely piece of Malt Loaf! Great with butter and a nice cup of tea
- ▶ Relative pronouns: Which, who, whom, whose, that, where, when

1.00 - 1.30 Reading Time

- ▶ Lesson overview: **To make comparisons between two songs**
- ▶ Read a book! Reading expands the mind and increases ones knowledge of the world we inhabit. Choose a good book, find a comfy place and enjoy.

1.30 - 2.15 History

We have been looking at the United States of America in our history lessons. The big question is why are they called the United States and what existed before they were united.

Carry out some research and find some way of presenting your research (PowerPoint or poster). See if you can create a timeline of events that ended up giving birth to the USA.
