

Homework will be used to support the children's learning as follows:

Subject	Requirement
Reading	Please encourage your child to read for a few minutes every day. Your child's reading books will be changed once they have finished their book.
Spelling	Children will be given a spelling sheet every Friday. They will learn the same spellings for a week in school, followed by a spelling quiz on the following Friday. Please encourage your child to practise their spellings at home. The spelling sheet is to be returned to school once completed in the Homework file.
Maths Times tables	We are continuing with our daily challenges and practising tables' facts in class. Please do as much as you can at home, including using Times Table Rockstars.
Homework	Your child will be set online Maths, English and topic activities on Purple Mash. These activities will reinforce what they have been learning in class.

PE lessons this term will be every Thursday. Please wear PE kit to school every Thursday.

The class will be going swimming every Monday morning so please send your child into school with their swimming kit.

A quick reminder - WE ARE A NUT FREE SCHOOL - please ensure you do not send in any nut products.

If you have any questions please feel free to contact us. Thank you for your continued support.

Mrs Gaffney, Mrs Moore and Mrs Bance

BRINKWORTH EARL DANBY'S CE PRIMARY SCHOOL

ROWAN ROWAN CLASS

Welcome back to the second and final half of the Summer Term.

***Our continuing theme is
'Ancient Civilisations'.***

Mrs Moore will be teaching the class on Mondays,
Tuesdays and Wednesdays.

Mrs Gaffney will be teaching on Thursdays and Fridays.
Mrs Bance is our Teaching Assistant.

English

We will be exploring stories from other cultures and instructions.

We will continue to look at the different word classes and sentence types.

Our daily spelling lessons will give us the opportunity to practise and apply spelling rules. We will also continue to work on our handwriting and presentation skills.

R.E.

We will explore the religion of Buddhism.

Computing

The children will learn how to stay safe on the internet. They will learn how to use the web to create fact files.

Science

We will be continuing our learning about electricity. The children will learn to recognise the difference between a complete and incomplete circuit and examine ways of fixing incomplete circuits. They will find out about electrical conductors and insulators and use this knowledge to make switches and examine plugs, identifying their parts, materials and safety features.

PSHE

The children will explore the topic 'Growing and Changing' and participate in circle time activities.

History

We will continue our learning about Ancient Civilisations this term by studying the Ancient Egyptian civilisation in detail. The children will reflect on their learning by identifying the similarities and between the two civilisations (Ancient Sumer and Ancient Egypt). They will also consider whether these civilisations left a lasting legacy.

Art and DT

The children will learn about simple machines, including wheels, axles, inclined planes, pulleys and levers, exploring how they helped ancient builders to lift and move heavy loads.

MFL

The children will learn French vocabulary related to time.

PE

Athletics and swimming

Ancient Civilisations

Music

Our music unit is called 'Reflect, Rewind and Replay'.

Maths

Please see the separate sheet: Maths Knowledge organiser
