We believe as a community that each child can reach their vocational potential. We believe each child is of unique worth made in the image of God. We believe in each child being the best that they can be and finding their place in the world. We believe in: a child's potential; being part of a community; being the best you can be.

In partnership with parents/carers, we aim to:

- create a happy, caring atmosphere in which each child feels secure and valued within an environment which is stimulating and attractive
- meet each child's needs physically, creatively, intellectually, emotionally and socially
- educate children about a diverse society and world in order to promote understanding and positive attitudes
- help the child acquire a set of moral and spiritual values that reflect our designation as a Church of England Voluntary Controlled Primary School
- inspire each child to be an enthusiastic learner and develop capabilities and attributes that 'build learning power'
- enable pupils to become confident and responsible citizens

Our ethos underpins our unique culture and behaviour in our Church of England School. Our children are at the centre of every decision made. We always ask 'of what benefit will this be to our children? Will this help support them to be the best they can be?' We go the extra mile. Whether it is staff, parents, children, governors or community members, we choose to make that extra effort for a better outcome for individuals and for our school community.

This policy is written with our vision, values, ethos and aims at its heart.

## 1. Aims

At Brinkworth Earl Danby's C of E Primary School, we believe that school attendance is important and that it is essential for pupils to get the most out of their school experience, including their attainment, wellbeing, and wider life chances.

The law is particularly clear about school attendance and entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school. Parents of children at Brinkworth Earl Danby's Primary School have chosen to send their children to school and have a legal duty to ensure their children attend regularly. This means that they must ensure their children attends school every day that it is open, except in a small number of allowable circumstance such as being too ill to attend or being given permission for absence in advance from the school.

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

## >Promoting good attendance

$>$ Reducing absence, including persistent (when a child's attendance is at $90 \%$ or lower) and severe absence (when a child's attendance is at 50\% or lower)
$>$ Ensuring every pupil has access to the full-time education to which they are entitled

## > Acting early to address patterns of absence

>Building strong relationships with families to ensure pupils have the support in place to attend school
We will also promote and support punctuality in attending lessons.

Successfully treating the root causes of absence and removing barriers to attendance, at home, in school or more broadly requires schools and local partners to work collaboratively with, not against families. All partners should work together to:

To support us in our work to achieve good levels of attendance for all pupils, we will:

## EXPECT

Aspire to high standards of attendance from all pupils and parents and build a
culture where all can, and want to, be in school and ready to learn by prioritising attendance improvement across the school.

MONITOR
Rigorously use attendance data to identify patterns of poor attendance (at individual and cohort level) as soon as possible so all parties can work together to resolve them before they become entrenched.

FACILITATE SUPPORT
Remove barriers in school and help pupils and parents to access the support they need to overcome the barriers outside of school.

> FORMALISE SUPPORT
> Where absence persists and voluntary support is not working or not being engaged with, partners should work together to explain the consequences clearly and ensure support is also in place to enable families to respond. Depending on the circumstances this may include formalising support through a parenting contract or education supervision order.

Where all other avenues have been exhausted and support is not working or not being engaged with, enforce attendance through statutory intervention or prosecution to protect the pupil's right to an education.

## 2. Legislation and guidance

This policy meets the requirements of the working together to improve school attendance from the Department for Education (DfE), and refers to the DfE's statutory guidance on school attendance parental responsibility measures.

These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

```
> Part 6 of The Education Act 1996
> Part 3 of The Education Act 2002
> Part 7 of The Education and Inspections Act 2006
> The Education (Pupil Registration) (England) Regulations }2006\mathrm{ (and 2010, 2011, 2013, 2016 amendments)
> The Education (Penalty Notices) (England) (Amendment) Regulations 2013
```

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

## 3. Roles and responsibilities

### 3.1 The governing board

The governing board is responsible for:

> > Promoting the importance of school attendance across the school's policies and ethos
> > Making sure school leaders fulfil expectations and statutory duties
> > Regularly reviewing and challenging attendance data
> > Monitoring attendance figures for the whole school
> > Making sure staff receive adequate training on attendance
> > Holding the headteacher to account for the implementation of this policy

### 3.2 The headteacher

The headteacher is responsible for:
> Implementation of this policy at the school
> Monitoring school-level absence data and reporting it to governors
> Supporting staff with monitoring the attendance of individual pupils
> Monitoring the impact of any implemented attendance strategies
> Issuing fixed-penalty notices, where necessary

### 3.3 The designated senior leader responsible for attendance

The designated senior leader is responsible for:
> Leading attendance across the school
> Offering a clear vision for attendance improvement
> Evaluating and monitoring expectations and processes
> Having an oversight of data analysis
> Devising specific strategies to address areas of poor attendance identified through data
> Arranging calls and meetings with parents to discuss attendance issues
> Delivering targeted intervention and support to pupils and families
The designated senior leader responsible for attendance is Alana Walch and can be contacted via the school office.

### 3.4 Class teachers

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office to be added to SIMs.

### 3.5 School office staff

School office staff will:
> Take calls from parents about absence on a day-to-day basis and record it on the school system
>Call the parents of children who have not attended school and whose whereabouts is unknown

### 3.6 Parents/carers

Parents/carers are expected to:
Make sure their child attends every day on time
> Call the school to report their child's absence before 9am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
>Provide the school with more than one emergency contact number for their child
> Ensure that, where possible, appointments for their child are made outside of the school day

### 3.7 Pupils

Pupils are expected to:
> Attend school every day on time

## 4. Recording attendance

### 4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register. The information management system that we use is provided by SIMs.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.
We will also record:
$>$ Whether the absence is authorised or not
> The nature of the activity if a pupil is attending an approved educational activity
$>$ The nature of circumstances where a pupil is unable to attend due to exceptional circumstances
We will keep every entry on the attendance register for 3 years after the date on which the entry was made.
Pupils must arrive in school by 8:55am on each school day.
The register for the first session will be taken at 8:45am and will be kept open until 08:55. The register for the second session will be taken at 1:00pm and will be kept open until 1:05pm.

### 4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9:00am or as soon as practically possible by calling the school office staff (see also section 7) on 01666 510406 and leaving a message.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

### 4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

### 4.4 Lateness and punctuality

The register is taken in the morning at 9:00am at Lower Site and at 8:45am at Upper Site. We expect all children to be in their classes by this time each day. We will mark children as late or absent for the following reasons:
> Before the register has closed will be marked as late, using the appropriate code
> After the register has closed will be marked as absent, using the appropriate code

### 4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:
$>$ Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact the police or the Wiltshire Multi Agency Safeguarding Hub in the interests of the child's welfare.
$>$ Identify whether the absence is approved or not
$>$ Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained - this will be no later than 5 working days after the session
>Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

### 4.6 Reporting to parents/carers

The school will help parents to stay informed by reporting on their children's attendance regularly. A report on overall attendance will be shared three times a year and parents will be informed when a child's attendance is starting to cause concern. The trigger for this point will be when absence from school rises to 5\% or above. At this point, parents will receive an amber warning letter to let them know that we are concerned about the level of absence and that we will be monitoring the situation.

The school will regularly inform parents about their child's attendance and absence levels termly. Parent will receive a copy of their child's attendance to date for an academic year once a term (at each parents' evening and with the end of year report).

| Percentage of attendance | Action taken |
| :--- | :--- |
| $100 \%-96 \%$ | No action needs to be taken as <br> attendance is in line with |

|  | expectations from the Department <br> of Education. |
| :--- | :--- |
| $95 \%-90 \%$ | Cases will be considered <br> individually. Some families may <br> be asked to work with the school <br> on an improving attendance plan |
| Below 90\% | Educational Welfare Officer will be <br> informed. <br> External agency support. <br> Families will be expected to work <br> with the school on an improving <br> attendance plan. |

## 5. Authorised and unauthorised absence

### 5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Please be aware that refusal may offend and that all decisions regarding authorised absence are at the discretion of the headteacher.

Any request should be submitted as soon as it is anticipated and, where possible, at least four weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office or website. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for authorised absence include, but are not limited to:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance - where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes - this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If a parent is scheduled for a deployment during the school holidays and the only possibility of a family holiday is during term time.

### 5.2 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay $£ 60$ within 21 days or $£ 120$ within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.
The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

## 6. Strategies for promoting attendance

We know that some children find it more challenging than others to attend school. Therefore we can offer different types of support to promote good attendance when necessary. The support that we can provide will be determined on a case by case basis but can include work with our Parent Support Adviser or ELSAs. We are committed to working in partnership to ensure all children maintain good levels of attendance so that they receive their full entitlement to a quality education.

If attendance falls below $92 \%$, the school will contact the Educational Welfare Officer to seek further advice and involve external agencies where necessary.

## 7. Attendance monitoring

We monitor attendance on a regular basis at Brinkworth Earl Danby's Primary School so that we can direct support to families who may be in need of it. We carry out attendance monitoring for all of our children every term and will work more closely with families to improve attendance where levels have dropped below $95 \%$.

### 7.1 Monitoring attendance

We will:
>Monitor attendance and absence data monthly, termly and yearly across the school and at an individual pupil level
> Identify whether or not there are particular groups of children whose absences may be a cause for concern
Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

### 7.2 Analysing attendance

The school will:
>Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
$>$ Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

### 7.3 Using data to improve attendance

The school will:
> Provide regular attendance reports to class teachers, and other school leaders, to facilitate discussions with pupils and families
> Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

### 7.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses $10 \%$ or more of school, and severe absence is where a pupil misses $50 \%$ or more of school.

The school will:
> Use attendance data to find patterns and trends of persistent and severe absence
> Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
>Provide access to wider support services to remove the barriers to attendance
> No longer authorise any absence for children who are persistently or severely absent without accompanying medical evidence.
$>$ Where necessary, issue fixed penalty notices in line with DfE guidance and the law.

## 8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum two-yearly by the Full Governing Body. At every review, the policy will be approved by the full governing board.

## 9. Links with other policies

This policy links to the following policies:
