English

Our class book will be 'Sky Song.' We will plan and write a quest adventure story based on this story. We will also create our own explanation texts based on our Science theme 'Light'. In poetry lessons, we will write and perform our own poetry. We will look at different types of clauses and how to use accurate speech in our writing. In guided reading sessions, we will study short fiction and non-fiction texts. Spelling lessons will be daily and we will also be working on developing our handwriting and presentation skills.

R.E.

We will be exploring the question 'What is the Trinity?'

Computing

We will be focusing on the unit 'Animation'

Science

Our Science theme will be 'Light'. We will be learning that we need light in order to see things and that dark is the absence of light. We will look at how light is reflected from surfaces and recognise that light from the sun can be dangerous and that there are ways to protect your eyes. We will look at how shadows are formed and change.

Maths

Our main focus in Maths will be looking at multiplication tables of 3,4 and 8 followed by addition and subtraction using mental strategies.

History & Geography

This term we will have a Geography focus. We will be exploring 'The wondrous West country'. We will be studying our local area and Wales. We will be visiting Brinkworth dairy to study local food and farming. We will use 4 figure grid references to locate features on maps. We will study land use, population, settlements and tourism. We will take part in a KS2 History and Geography trip to Malmesbury to find out more about our local area.

Y3

PE days
PE days will be on
Mondays and
Thursdays.

Music

We will be learning about and exploring improvisation

MFL

We will be following a unit called 'All about Me'

Reading

Please encourage your child to read daily at home. Reading books and reading records need to be brought into class daily.

Homework

Weekly pick and mix homework plus spellings. Given out on Tuesday and returned the following Monday

Art and DT

This term we will have a DT focus. We will be exploring healthy food and varied diets. We will be looking at the Eatwell plate and designing our own healthy sandwiches which we will make in class

PE

Outdoor PE (Thursday)

Outdoor Adventurous Activities

Indoor PE (Monday)

Circuit training

PSHE

We will be following the SCARF unit 'Valuing differences'
