

English

Our class book will be 'Sky Song.' We will plan and write a quest adventure story based on this story. We will also create our own explanation texts based on our Science theme 'Sound'. In poetry lessons, we will write and perform our own poetry. We will look at different types of clauses and how to use accurate speech in our writing. In guided reading sessions, we will study short fiction and non-fiction texts. Spelling lessons will be daily and we will also be working on developing our handwriting and presentation skills.

R.E.

We will be exploring the question 'What is the Trinity?'

Maths

Our main focus in Maths will be looking at multiplication tables of 6, 7 and 9 followed by addition and subtraction using mental strategies.

History & Geography

This term we will have a Geography focus. We will be exploring 'Homelands-Malmesbury and Bethlehem'. We will be studying our local area and comparing it to Bethlehem. We will use 4 and 6 figure grid references to locate features on maps. We will study land use, population, settlements and tourism. We will take part in a KS2 History and Geography trip to Malmesbury to find out more about our local area.

Art and DT

This term we will have a DT focus. We will be exploring healthy food and varied diets. We will be looking at the Eatwell plate and designing our own healthy sandwiches which we will make in class.

Y4

Computing

We will be focusing on the unit 'Animation'

PE days

PE days will be on Mondays and Thursdays.

Reading

Please encourage your child to read daily at home. Reading books and reading records need to be brought into class daily.

PE

Outdoor PE (Thursday)
Outdoor Adventurous Activities

Indoor PE (Monday)

Circuit training

Science

In Science, we will be exploring sound. We will identify how sounds are made, associating some of them with something vibrating. We will recognise that vibrations from sounds travel through a medium to the ear. We will find patterns between the volume of a sound and the strength of the vibrations that produced it. We will recognise that sounds get fainter as the distance from the sound source increases.

Music

We will be learning about and exploring improvisation

MFL

We will be following a unit called 'All about Me'

Homework

Weekly pick and mix homework plus spellings. Given out on Tuesday and returned the following Monday

PSHE

We will be following the SCARF unit 'Valuing differences'
