

### **English**

Our writing will be based on the book 'The boy, the mole, the fox and the horse' by Charlie Mackesy. We will be writing our own fable based around a moral point. Our non-fiction writing will take on the form of a discussion and writing a balanced argument. Towards the end of term we will explore song lyrics and how they relate to poetry.

Our daily whole-class guided reading sessions we will be based around 'Letters from the lighthouse' by Emma Carroll. We will use this book to work on our inference skills and expand our vocabulary. We will also have daily spelling lessons and lessons on developing our handwriting and presentation skills.

### **Maths**

This term, all our focus will be on fractions. We will be confident in adding, subtracting, multiplying and dividing a range of fractions, including improper fractions and mixed numbers. We will also be completing daily warm up exercise, which involve solving multi-step word questions.

### **History**

This term our topic is Red and White, Unite. This will focus on Henry the VII and Elizabeth I. We will then conclude who was a more successful Monarch and why.

### **ART**

We will learn about colour theory by studying the colour wheel and exploring mixing tints, shades and tones. We will learn how portraits can capture more than just a face. Studying how artists use tone and colour to represent background, culture, race, gender and interests.

## **Year 6 Willow Class**

### **R.E.**

Our focus this term is 'If God is everywhere, why go to a place of worship?'

### **Computing**

We will be looking at games and their programming. We will explore, through scratch, how games can have different variables that produce different outcomes.

### **Our Value**

Our Value this term is respect.

### **Reading**

Please encourage your children to read every day. If possible, please also read with them.

### **PE**

PE days will be on Mondays and Thursday. Indoor PE this term will be Gymnastics (on Mondays). Outdoor PE, taught by Steven, is netball (on Thursdays.)

### **Science**

This term we will be exploring electricity. We will be learning key symbols and components as well as constructing our own circuits. We will be able to give reasons for variations in how components function.

### **Music**

Our topic this term is 'building confidence through performing'. We will be using the glockenspiels to learn the notes, C,D,E, F and G

### **Homework**

Children will be given spelling and maths on a Tuesday, to be returned the following Tuesday.

### **PSHE**

We will explore the topic 'growing and changing'.

### **MFL**

This term our theme is 'This is France'.
