

### **English**

In English, we will be looking at 'The Tempest' by William Shakespeare. This will inspire us to create our own play about a voyage. In Guided reading, we will be starting Kensuke's Kingdom by Michael Morpurgo. We will use this text to build our understandings of emotions and our ability to read beyond the text.

#### **SATs**

This term we will also be completing mock SATs, to allow the children to understand the process of SATs. We will then be using these results to recap any topics that are needed. We will then also be completing the SATs on the 13<sup>th</sup> of May 2024.

### **Maths**

In maths, we will be studying statics, understanding line graphs, pie charts and bar graphs. We will then be recapping a range of topics in preparation for the SATs.

### **History**

We will be looking at historical figures from the 20<sup>th</sup> century. We will look at a range of figures before choosing someone who inspires us. We will then create a portfolio on our chosen historical figure.

### **Art**

In art, we will be looking at different prints and collages. We will then focus on monotypes and ghost prints. We will understand the differences and then make our own.

### **R.E.**

The children will study the question, 'What would Jesus do'.

### **Computing**

In computing, as well as continuous online safety, we will be introducing 3D modelling. We will aim to create individual online name badges and then planning and creating our own design.

### **Science**

This term, we will be studying light. We will focus on how light travels and how the human body process light.

### **Music**

This term, we will be exploring 'chord and structure'.

## **Year 6 Willow Class**

### **Reading**

Please encourage your children to read every day. If possible, please also read with them.

### **Homework**

Children will be given spelling and maths on a Tuesday, to be returned the following Tuesday.

### **PE**

PE days will be on Mondays and Thursdays. Indoor PE this term will be circuits. Outdoor PE will be taught by Steven. It will be looking at striking and fielding in the form of rounder's.

### **PSHE**

We will explore the topic 'Being My Best'.

### **MFL**

. This term our topic is 'our precious planet'. We will look at the bigger picture and how we can work together.
