RE

Create a piece of artwork detailing the creation story.
This could be a collage, painting, drawing, model.

History

Hunt around your house and in your local area for items that tell us about local significant people and places. Examples could include buildings, displays or pictures of people, statues and road names. Take photographs of any that you find and share them with the class.

Maths

Go on a number hunt around your local area, how many different numbers can you find? Can you make those numbers using tens and ones?
E.g. sticks and stone
 $43 = 4 \text{ sticks (tens) and } 3 \text{ stones (ones)}$

English

Create a simple fact file about your favourite animal; using sub-headings such as what does it eat? Where does it live?

PSHE

Create a friendship flower (like the one in the picture below) about how to be a good friend.

English

Learn a poem off by heart and either record and send into our class email or perform it to the class. This could be your favourite poem from home or lots of poets post videos of themselves performing their poems online to watch for inspiration.

Science

Design and label a habitat for your favourite animal.
What does it need to survive?
