

English

Our class book will be 'Bob and the Moontree Mystery.' We will be writing our own story based on the book and then creating reports about space. We will also produce our own humorous poems. Our writing will be developed by including noun phrases and conjunctions in our work. We will have daily phonic lessons and have opportunities to practise our blending and segmenting skills. We will also be working on developing our handwriting and presentation skills.

Maths

Our main units for term are: Subtraction - subtracting numbers by bridging, rounding, partitioning and recombining; Geometry - shape and Multiplication and Division.

Geography

We will be focusing on wonderful Wiltshire, finding out where our school is located and looking at the well known landmarks found in Wiltshire. We will find out about the main human and physical features in our local area and what the weather is like every season.

DT

We will be exploring how to use sliders and levers to create our own unique christmas card

R.E.

We will be exploring the question 'Why does Christmas matter to Christians?'

Elm Class Term 2

PE

Steven - Invasion games
Mrs Cross - Dance

Computing

The children will look at online safety through online relationships. They will also explore how to use digital photography.

PE days
Wednesday
Friday

Reading

Please encourage your child to read for a few minutes every day. Books will be changed on Thursdays (reading for pleasure) and decodable books on Fridays.

PSHE

The children will be valuing differences and discussing how we can treat others with kindness.

Science

This term we will be looking at Materials:-

- identifying and comparing different materials.
- investigating how we can change the shape of solid objects.
- looking at the properties of materials

Music

We will be learning how to play the recorder and singing all the different songs we need to learn for our Christmas play.

Homework

Please choose something from the Pick and Mix to do and bring in each Monday.
