ART

Can you research the artist Francis Hatch? Explore how he got into his work and what were his inspirations.

Maths

In maths, we are looking at fractions. Can you create your own fraction wall? Can you be creative in your design to show the different fractions and how they fit together?
Keep practising those times tables!

History

Ancient Egyptians- write your name in hieroglyphics. Can you spell out a secret message?

English

We will be exploring story writing further- be as creative as you can and come up with your own little story book. The topic is your choice!

Science

This term we will focus on keeping the body healthy. Design a poster advertising ways to keep our body healthy.

RE

Our Christian value this term is **perseverance**. Can you think of a famous person who has shown perseverance? They might be a sports person or a leader. Write a short description about when they showed perseverance.
