

English

Our class book will be 'Bob and the Moontree Mystery.' We will be writing our own story based on the book and then creating reports about space. We will also produce our own humorous poems. Our writing will be developed by including noun phrases and conjunctions in our work.

We will have daily spelling lessons, practising our blending and segmenting skills.

We will also be working on developing our handwriting and presentation skills.

Maths

Our main units for term are:

- Subtraction - bridging, rounding, partitioning and recombining;
- Geometry - properties of shapes;
- Multiplication and Division.

Geography

We will be focusing on wonderful Wiltshire:

- finding out where our school is located;
- looking at the well known landmarks;
- finding out about the main human and physical features;
- exploring types of farming in Wiltshire.

DT

We will be exploring how to use sliders and levers to create our own unique Christmas card

R.E.

We will be exploring the question 'Why does Christmas matter to Christians?'

Computing

The children will look at computing systems and networks with a particular focus on improving our mouse skills.

Science

This term we will be looking at Materials:

- identifying and comparing different materials;
- investigating how we can change the shape of solid objects;
- looking at the properties of materials.

PE days

Tuesday
Wednesday

Reading

Please encourage your child to read for a few minutes every day. Books will be changed on Thursdays (reading for pleasure) and decodable books on Fridays.

PE

Steven - Invasion games
Mrs Cross - Dance

PSHE

The children will be valuing differences and discussing how we can treat others with kindness.

Music

We will be looking at tempo, exploring how fast or slow music can be, using our voices and bodies to make steady beats.

Homework

Please choose something from the Pick and Mix to do and bring in each Monday.
