

# Year 3 Term 5

## Pick and Mix Homework

**Daily homework:** reading, please bring your reading record in every day.

**Weekly homework:** spelling sheets given out on a *Tuesday* to be handed in every *Monday*, complete 1 of the activities below each week, handing it in every *Monday*.

*Please practise your times table facts regularly.*

### Art

Create your own detailed observational drawing of something of your choice.

Can you create a 3D effect? Can you create shade and tone?

### Maths

Fractions

Find items around the house that can be split into equal parts, such as a chocolate bar or a pack of stickers, and find fractions of that amount.

### History

Create a fact file about Ancient Greece. Can you include a map? You could present it on paper, as a power point or read your fact file to the class.

### English

Write your own book review of a text you have been reading.

Summarise the book, would you recommend it?

What is the genre?

### Science

What is your favourite electrical invention?  
Do you know how it works?

Do you know this history of your object?

Draw and write about it, explaining why it is your favourite.

### RE

Our Christian value this term is **perseverance**.

Complete a mind map about different ways to show perseverance. Include a section on how you have shown perseverance.
