Believe to Achieve! *"Roots will grow down into God's love and keep us strong"* EPH 3:17

Tuesday 21 April 2026

Dear Parents and Carers,

We are delighted to share that our school will be celebrating **Autism Awareness Week** during 27th April to 1st May 2026. This year's theme, *"We are all different, we are all amazing,"* reflects something we value deeply as a community: that every child brings their own strengths, perspectives, and ways of experiencing the world.

Throughout the week, pupils will take part in a range of age-appropriate activities designed to help them understand and appreciate the diversity of autism. These may include stories, class discussions, creative projects, and opportunities to learn about how people think, communicate, and learn in different ways. Our aim is to build empathy, celebrate individuality, and encourage children to recognise that differences make our school a richer, more interesting place.

As part of the week, we would also like to invite parents and carers to a relaxed **coffee catch-up on Thursday 30th April from 2.00pm until 3.15pm at the Lower Site**. This will be an informal opportunity to meet other families and explore ways we can continue to support and celebrate every child together.

Autism Awareness Week is not only about raising understanding — it's about celebrating the amazing contributions autistic people make to our school and wider community. We hope the week will spark meaningful conversations at home as well. If your child comes back with questions or reflections, we encourage you to explore these together.

Thank you, as always, for your support in helping us create an inclusive, welcoming environment where every child feels valued for who they are.

Yours sincerely,

Mrs Pocock
