

English

Can you create your own dinosaur character?

Use lots of adjectives to describe what your dinosaur looks like and what it is like.

For example: big, spiky, colourful, noisy, kind.

Geography

Can you create a picture map of where you live? What would we see if we visited your town, village, or hamlet? Include some of the places that are special or important to you.

Maths

Reception & Year 1

This term, we are learning about money. Can you create your own shop or visit a shop and spend some coins? What can you buy with your money? Can you work out how much your items cost and how much money you have left?

Beech class – Reception & Year 1

Pick and Mix Homework – Term 6

Please bring in or send your pictures of your activities to Seesaw. We will share our pick and mix in class with our friends.

DT

This term, we are creating smoothies. Can you design and make your own smoothie at home? Write a simple recipe to share with the class.

PSHE

This term, we are exploring growing and changing. Can you choose some photographs of yourself from different ages and create a timeline to show how you have changed over the years?

Science

This term, we are learning about ocean habitats. Can you draw and label a picture of an ocean habitat? What animals and plants might you find there?
