

Birch Class Term 6

Pick and Mix Homework

Daily homework: reading, please bring your reading record in every day.

Weekly homework: spelling sheets given out on a *Tuesday* to be handed in every *Monday*, complete 1 of the activities below each week, handing it in every *Monday*.

Please practise your times table facts regularly.

Art

Create your own piece of nature art using only resources you have found naturally (do not go pick items without permission).

Maths

Measurement: Use a ruler to measure items around your house in cm. Can you convert them to mm? Can you find the perimeter of the item? If it is a quadrilateral, can you find the area?
Challenge: find the volume of an object using a measuring jug.

Geography

Create a simple map of the local area, including any key landmarks or features you recognise.
Or you could make a map of your house plotting where each room is.

English

Can you write a short poem about the summer season?
Focus on your senses: what you can see, what you can hear, what you can smell, what you can touch.

Science

How do you know what foods give you energy? Check out the food labels on the products in your kitchen to see the different amounts of sugar, salt and fats. We need these for energy. Investigate how much are in your favourite foods.

kJ/kcal	FAT	SAT FAT	SUGAR	SALT
338/169	2.5g	0.4g	32.7g	0g
8.5%	1.7%	1%	18.1%	0%

RE

Our Christian value this term is **compassion**.
Complete a mind map about different ways to show compassion. Include a section on how you have shown compassion.
