Consent

If you haven't already, please complete and return the adventurous activities consent form on Monday.

Medication

If medication was listed on the consent form, we have sent a form home. Please return this with the named medication to Mrs Hall on Monday morning. All medication already in school (e.g. blue inhaler) already has a consent form and will be brought on the trip. We'll have spare forms for any last minute medication changes. Mrs Pocock will bring Calpol 6+ liquid sachets (paracetamol) and Piriteze syrup (cetirizine). This will only be given if you have consented.

What to Bring

Please ensure you have the kit list items - there are two water activity days so please ensure there are enough outfits and old footwear to accommodate this. On Friday, the children will need to wear clothes appropriate for the afternoon activities. They won't be unpacking until the evening. The children have to transport their own luggage, so a wheeled suitcase or bag is ideal. A small backpack will be helpful for carrying supplies for the coach journey.

Food will be provided by Morfa Bay however we strongly suggest you send extra snacks as the children will be more active than usual. Please pass these to Mrs Pocock in a labelled bag. These must not be shared between children due to allergies and intolerances.

There is a shop, children can bring cash (ideally £5 but no more than £10), again this needs to be passed to Mrs Pocock in a named envelope. **Mobile phones, smart watches or electronic games will not be permitted.**

Rooms and Meals

Mrs Pocock has allocated rooms in consultation with the children, which they will be advised on the day. They have already made their food choices which will be passed on to Morfa Bay.

Activities

The finalised activities programme can be found at the end of this letter and on our website.

Safety

Morfa Bay Adventure places safety as a top priority. Their procedures aim to keep these risks as low as possible, activity risk assessments can be made available upon request. We have our own risk assessments for all other aspects of the trip. We do require a high standard of behaviour on the trip.

Communications

Mrs Butt will endeavour to send a daily email update, however we know from previous trips connectivity can be challenging. Photos will be shared on Seesaw on our return.

If you have any questions, please do get in touch. We look forward to an exciting adventure. Don't forget your teddy!

Yours sincerely,
Mrs K Butt
